

The Malaysian Journal of Analytical Sciences **ISSN 1394-2506**

Instructions for Authors

Authors are encouraged to submit high quality, original work that has not appeared in nor is under consideration by, other journals. Papers may be written in Bahasa Malaysia or English. The Journal is published on-line only. Please read these instructions very carefully and refer to articles published in past issues for guidance on how the manuscript must be prepared. Please note that the measurements for indentations etc. may vary slightly depending on the spacing used in the word processing program.

1. The maximum paper length is 15 pages.
2. The text on first page should occupy a box 16.0 cm width and 22.0 cm length. Begin Title at least 3.5 cm from top of page.
3. The text on other pages should be 16.0 cm x 23.5 cm. Begin text at least 2.0 cm from the top of page. The preferred typeface is Times New Roman.

Manuscript should be submitted to Editor-in-Chief by e-mail to mpauzi1671@gmail.com or by post to the following address:

Malaysian Journal of Analytical Sciences (MJAS)
c/o School of Chemical Sciences and Food Technology
Faculty of Science and Technology
Universiti Kebangsaan Malaysia
43600 UKM BangiSelangor, Malaysia
(Att.: Prof. Dr Md Pauzi Abdullah)

Some Specific Points:

1. **Title of Paper**
All upper case, 14 point text 16.0 cm in width, centered on page. Leave one space between title and authors. There must be a translation of the title (12 point font) in English for Bahasa Malaysia paper and in Bahasa Malaysia for English paper.
2. **Authors**
Use 10 point font. Use initials followed by family name, otherwise use full name. Use comma between authors and use superscript 1, 2, 3 etc. to indicate affiliation. Use asterisk to indicate the corresponding author. Center author names. Leave one space between authors and addresses.
3. **Addresses**
Use 9 point font italic, full page width, centered. Indicate authors' affiliation with superscript 1, 2, 3 etc. and start each address on new line. Leave one space between addresses and corresponding author.
4. **Corresponding author email address**
Use 9 point font italic and centered. Leave 2 spaces before the abstract.
5. **Abstract**
Maximum 200 words in English and Bahasa Malaysia. Use 9 point font with text left and right justified. Leave one space between abstract and keywords.

6. **Key words**

Use English and Bahasa Malaysia key words, maximum 6. Use 9 point font and left justified. Leave one space before text of paper.

7. **Headings**

Organise paper into Introduction, Experimental, Results and Discussion, and References. All first order headings use 10 point font, bold and centered. Second order headings should be bold, 10 point font and unindented.

8. **Text of Paper**

Should be in 10 point font size. Unindented. The text should be left and right justified. Metric units should be used in their accepted abbreviated form. Chemical symbols should be specified and spelled out for the first time, thereafter the symbol used.

9. **References Cited**

Used sequential numerals in square brackets [2] for indicating references. References should be listed in numerical order in the References section and should be in 10 point font text with the format, authors, years, title of paper, abbreviated journal title, volume, issue number, and pages.

10. **Tables**

Must be included in body of the text. Table text and caption should be in 10 point font centered over full page width. Table number and heading should be centered above the table. Table must fit the portrait orientation page.

11. **Illustrations**

Figures must be located in the body text and centered. The figure number and caption in 10 point font should be centered below the figure using the full page width. Only good contrast, original line drawings are accepted. Poor quality illustrations will be returned.

12. **Acknowledgement**

This should be included whenever appropriate as a separate section before Reference section. Use 10 point text.
