Dear Dr Ismail,

This is to confirm that I was involved in the research that is described in the paper "SYNTHESIS AND CHARACTERIZATION OF CATALYTIC POLYMER- CLAY FILM FOR TREATMENT OF 17 α -ETHINYLESTRADIOL" in MJAS, both in the development of the catalytic films that were used and as an advisor for the student who carried out the research. I give my consent to have my names added to the list of authors in this paper. Thank you.

Yours sincerely,

L. J. Wright
